NHS FF CONSULTATION

31st August 2018

Dear Sirs,

Llandysilio Community Council wish to respond to the above consultation. Whilst we wish the options in front of us included a Hospital in Mid Wales we have to look at what options we have and the Council feels that Option 1 would be the best option.

There are however, grave concerns with regard to the limited Public Transport both to Shrewsbury Hospital and the Princess Royal at Telford. Unfortunately there are very few volunteer driver schemes in our area. Money does need to be set aside by Central Government for improving transport links in such a rural area as Powys.

Kind regards

Yours truly,

Clerk to Llandysilio Community Council
