

# Improving hospital services for people in Shropshire, Telford & Wrekin and mid Wales

## Have your say

NHS Shropshire and Telford & Wrekin Clinical Commissioning Groups (CCGs) want to make some changes to:

- The Princess Royal Hospital and

- The Royal Shrewsbury Hospital.

We want to know what you think about two options:

## Option 1:

- The Royal Shrewsbury Hospital becomes an **Emergency Care** place

and the

- Princess Royal Hospital becomes a **Planned Care** place

This is the CCGs' favourite option.

**Emergency Care** is where you might die if you don't get the healthcare you need. It has not been planned.

**Planned Care** is an operation or treatment which you have known about for some time.

## Option 2:

- The Princess Royal Hospital becomes an **Emergency Care** place

and the

- Royal Shrewsbury Hospital becomes a **Planned Care** place

Both hospitals would have an **Urgent Care** Centre that is open all day and night, every day.

**Urgent Care** is where you need help straight away - but you are not likely to die.
